

# S15AB

Weighing less than 6 lbs and measuring just over an inch thick, the S15AB is designed for the mobile professional who needs to step out of the office from time to time. It's MIL-STD 810G and IP5X certifications make it more durable and dependable than other enterprise laptops. With the largest 15.6" Full HD display in its class, combined with Windows® 10 Pro, the S15AB will enhance productivity and multitasking abilities. Wireless 802.11ac and blazing fast LTE connectivity round out a complete mobile system inside one sleek semi-rugged package.
